5. Journal of the American Academy of Dermatology. (2020). Atopic Dermatitis: Current Guidelines and Emerging Therapies.

DERMATITIS SEBORREICA

1. Guía de Práctica Clínica sobre Dermatitis Seborreica. Secretaría de Salud, México.
2. American Academy of Dermatology (AAD). (2019). Guidelines of Care for Seborrheic Dermatitis.
3. European Academy of Dermatology and Venereology (EADV). (2018). EADV Guidelines for the Management of Seborrheic Dermatitis.
4. National Institute for Health and Care Excellence (NICE). (2019). Seborrheic Dermatitis: Diagnosis and Management.
5. Journal of the American Academy of Dermatology. (2020). Seborrheic Dermatitis: Current Guidelines and Emerging Therapies.

DERMATITIS DEL ÁREA DEL PAÑAL

1. Guía de Práctica Clínica sobre Dermatitis del Área del Pañal. Secretaría de Salud, México.
2. American Academy of Pediatrics (AAP). (2014). Clinical Practice Guideline: Diagnosis and Management of Diaper Dermatitis.
3. European Academy of Dermatology and Venereology (EADV). (2019). EADV Guidelines for the Management of Diaper Dermatitis.
4. National Institute for Health and Care Excellence (NICE). (2020). Diaper Dermatitis: Diagnosis and Management.
5. Journal of Pediatric Dermatology. (2018). Current Approaches to the Management of Diaper Dermatitis.

IMPETIGO

1. Guía de Práctica Clínica sobre Impétigo. Secretaría de Salud, México.
2. American Academy of Pediatrics (AAP). (2019). Red Book: 2018 Report of the Committee on Infectious Diseases.
3. European Society of Clinical Microbiology and Infectious Diseases (ESCMID). (2019). ESCMID Guidelines for the Diagnosis and Management of Skin and Soft Tissue Infections.

4. National Institute for Health and Care Excellence (NICE). (2017). Impetigo: Diagnosis and Management.
5. Journal of the American Academy of Dermatology. (2020). Impetigo: Current Guidelines and Treatment Approaches.

ESCABIASIS

1. Guía de Práctica Clínica sobre Escabiasis. Secretaría de Salud, México.
2. American Academy of Dermatology (AAD). (2019). Guidelines of Care for Scabies.
3. European Centre for Disease Prevention and Control (ECDC). (2020). Scabies: Guidance for Control and Prevention.
4. National Institute for Health and Care Excellence (NICE). (2016). Scabies: Diagnosis and Management.
5. Journal of the American Academy of Dermatology. (2020). Scabies: Current Guidelines and Treatment Approaches.

PEDICULOSIS

1. Guía de Práctica Clínica sobre Pediculosis. Secretaría de Salud, México.
2. American Academy of Pediatrics (AAP). (2015). Clinical Practice Guideline: Diagnosis and Management of Pediculosis Capitis.
3. European Centre for Disease Prevention and Control (ECDC). (2017). Guidelines on the Management of Pediculosis Capitis in the Community.
4. National Institute for Health and Care Excellence (NICE). (2017). Pediculosis Capitis: Diagnosis and Management.
5. Journal of the American Academy of Dermatology. (2020). Current Approaches to the Management of Pediculosis Capitis.

MALTRATO INFANTIL

1. Guía de Práctica Clínica sobre Maltrato Infantil. Secretaría de Salud, México.
2. American Academy of Pediatrics (AAP). (2019). Clinical Practice Guideline: The Evaluation of Children Who May Have Been Physically Abused.
3. National Institute for Health and Care Excellence (NICE). (2018). Child Abuse and Neglect: Diagnosis and Management.
4. World Health Organization (WHO). (2020). Responding to Children and Adolescents Who Have Been Abused.
5. European Society for Pediatric Infectious Diseases (ESPID). (2019). Guidelines for the Assessment and Management of Child Abuse.

NEUROBLASTOMA

1. Guía de Práctica Clínica sobre Neuroblastoma. Instituto Nacional de Cancerología (INC), México.
2. National Comprehensive Cancer Network (NCCN). (2023). NCCN Guidelines for Neuroblastoma.
3. American Academy of Pediatrics (AAP). (2019). Neuroblastoma: Clinical Practice Guidelines.
4. European Society for Pediatric Oncology (SIOP). (2020). SIOP Guidelines for Neuroblastoma.
5. Children's Oncology Group (COG). (2018). A Phase I/II Study of Neuroblastoma: Treatment Protocols and Recommendations.

TUMOR DE WILMS

1. Guía de Práctica Clínica sobre Tumor de Wilms. Instituto Nacional de Cancerología (INC), México.

2. National Comprehensive Cancer Network (NCCN). (2023). NCCN Guidelines for Wilms Tumor.
3. American Academy of Pediatrics (AAP). (2019). Wilms Tumor: Clinical Practice Guidelines.
4. European Society for Pediatric Oncology (SIOP). (2020). SIOP Guidelines for Wilms Tumor.
5. Children's Oncology Group (COG). (2018). A Phase I/II Study of Wilms Tumor: Treatment Protocols and Recommendations.

TRASTORNO POR DÉFICIT DE ATENCIÓN E HIPERACTIVIDAD (TDAH)

1. Guía de Práctica Clínica sobre Trastorno por Déficit de Atención e Hiperactividad (TDAH). Secretaría de Salud, México.
2. National Institute for Health and Care Excellence (NICE). (2018). Attention Deficit Hyperactivity Disorder: Diagnosis and Management.
3. American Academy of Pediatrics (AAP). (2019). Clinical Practice Guideline: Treatment of Attention-Deficit/Hyperactivity Disorder (ADHD) in Children and Adolescents.
4. American Academy of Child and Adolescent Psychiatry (AACAP). (2019). Practice Parameter for the Assessment and Treatment of Children and Adolescents With Attention-Deficit/Hyperactivity Disorder.
5. European ADHD Guidelines Group (EAGG). (2018). European Guidelines on ADHD.

PARÁLISIS CEREBRAL

1. Guía de Práctica Clínica sobre Parálisis Cerebral. Instituto Nacional de Salud Infantil y Desarrollo Humano (NICHHD), EE. UU.
2. National Institute for Health and Care Excellence (NICE). (2017). Cerebral Palsy in Under 25s: Assessment and Management.
3. American Academy of Pediatrics (AAP). (2019). Clinical Practice Guideline: Management of Children with Cerebral Palsy.
4. European Academy of Childhood Disability (EACD). (2021). EACD Guidelines for the Management of Cerebral Palsy.
5. Children's Hospital of Philadelphia (CHOP). (2018). Clinical Guidelines for the Assessment and Management of Cerebral Palsy.

ALERGIA A LA PROTEÍNA DE LA LECHE

1. Guía de Práctica Clínica sobre Alergia a la Proteína de la Leche de Vaca. Sociedad Española de Alergología e Inmunología Clínica (SEAIC).
2. American Academy of Pediatrics (AAP). (2019). Clinical Practice Guideline: Allergy to Cow's Milk Protein in Infants and Children.
3. National Institute for Health and Care Excellence (NICE). (2018). Food Allergy: Assessment and Diagnosis.
4. European Academy of Allergy and Clinical Immunology (EAACI). (2020). EAACI Guidelines on the Management of Cow's Milk Allergy.

INTOLERANCIA A LA LACTOSA EN NIÑOS

1. Guía de Práctica Clínica sobre Intolerancia a la Lactosa en Niños. Sociedad Española de Pediatría (AEP).
2. American Academy of Pediatrics (AAP). (2016). Clinical Practice Guideline: Evaluation and Management of Lactose Intolerance in Children and Adolescents.

3. National Institute for Health and Care Excellence (NICE). (2015). Diagnosis and Management of Lactose Intolerance in Children and Adults.
4. European Society for Pediatric Gastroenterology, Hepatology and Nutrition (ESPGHAN). (2017). ESPGHAN Guidelines on the Diagnosis and Management of Lactose Intolerance.
5. Journal of Pediatric Gastroenterology and Nutrition. (2018). Evidence-Based Guidelines for the Management of Lactose Intolerance in Pediatric Patients.

ENFERMEDAD CELÍACA

1. Guía de Práctica Clínica sobre Enfermedad Celíaca en Pediatría. Sociedad Española de Pediatría (AEP).
2. American College of Gastroenterology (ACG). (2021). ACG Clinical Guideline: Diagnosis and Management of Celiac Disease.
3. European Society for Pediatric Gastroenterology, Hepatology and Nutrition (ESPGHAN). (2020). ESPGHAN Guidelines for the Diagnosis of Celiac Disease 2020.
4. National Institute for Health and Care Excellence (NICE). (2018). Celiac Disease: Diagnosis and Management.
5. Journal of Pediatric Gastroenterology and Nutrition. (2021). Updated Guidelines on the Management of Celiac Disease.

SÍNDROME DE DOWN

1. Guía de Práctica Clínica sobre el Síndrome de Down en Pediatría. Sociedad Española de Pediatría (AEP).
2. American Academy of Pediatrics (AAP). (2020). Clinical Practice Guidelines for the Evaluation and Treatment of Children with Down Syndrome.
3. National Institute for Health and Care Excellence (NICE). (2018). Down Syndrome: Diagnosis, Assessment, and Management.
4. European Society for Pediatric Endocrinology (ESPE). (2021). Clinical Practice Guidelines for the Management of Endocrine Disorders in Children with Down Syndrome.
5. Journal of Pediatric Genetics. (2021). Down Syndrome: Comprehensive Management and Care.

SÍNDROME DE TURNER

1. Guía de Práctica Clínica sobre el Síndrome de Turner en Pediatría. Sociedad Española de Pediatría (AEP).
2. American Academy of Pediatrics (AAP). (2018). Clinical Practice Guideline: Evaluation and Treatment of Turner Syndrome.
3. European Society for Pediatric Endocrinology (ESPE). (2020). Clinical Practice Guidelines for the Management of Turner Syndrome.
4. National Institute for Health and Care Excellence (NICE). (2016). Turner Syndrome: Diagnosis and Management.
5. Journal of Pediatric Endocrinology and Metabolism. (2021). Management of Turner Syndrome: Current Guidelines and Recommendations.

CARDIOPATÍAS CONGÉNITAS

1. Guía de Práctica Clínica: Diagnóstico y Tratamiento de Cardiopatías Congénitas en Niños. Secretaría de Salud de México.
2. Guía de Práctica Clínica: Cardiopatías Congénitas en Niños y Adolescentes. Instituto Nacional de Cardiología Ignacio Chávez (INCICH).

Comunicación Interventricular (CIV)

1. American Heart Association (AHA)/American College of Cardiology (ACC). (2020). 2020 AHA/ACC Guideline for the Management of Adults with Congenital Heart Disease.
